THE ASSEMBLY
STATE OF NEW YORK
ALBANY

December 15, 2024

Dear Friends,

I am delighted to congratulate the **Great Neck Synagogue** on the occasion of its **73rd Annual Journal Dinner**. This milestone highlights the strength of the Jewish community and underscores the Synagogue's dedication to charity, tradition, and unity. I want to express my deep admiration for all your hard work.

Every community is shaped by the dedication of its individuals. In that spirit, I would like to honor three couples: Sharon and Mark Twersky, Erran and Lisa Kagan, and Leslie and Michael Kule. Their longstanding connection to the Great Neck Synagogue is truly remarkable, reminding us of the importance of supporting our cultural centers as vital parts of our Long Island heritage.

I wish you an evening filled with joy as we celebrate this wonderful milestone and the vibrant community at the Great Neck Synagogue.

Sincerely,

A handwritten signature in black ink that reads "Gina L. Sillitti".
