Dear Friends,

Welcome to Great Neck Synagogue's 75th Annual Journal Dinner! This event brings us together to celebrate a remarkable milestone for a pillar of our community that has served our residents since 1951. Under the leadership of Rabbi Dale Polakoff and Assistant Rabbi Moshe Genack, that important work continues to this day.

Congratulations to tonight's event honorees, Talia & Liron David and Tovah & Josh Marmer. These two couples have selflessly dedicated themselves to strengthening our community and serving as steadfast voices for Jewish values. On behalf of all Nassau County residents, thank you for all that you do!

To everyone in attendance, please accept my best wishes for your continued success. I hope you all have a great time at tonight's event!

Sincerely,

Bruce A. Blakeman
Nassau County Executive
