To the Members of Great Neck Synagogue:

On behalf of the New York State Assembly, I extend my heartfelt congratulations on the occasion of the Great Neck Synagogue's 74th Annual Journal Dinner.

This distinguished celebration honors Didi & Adam Hutt, Ariella & Abraham Sedgh, and Steven Zuckerman- individuals who exemplify humility, dedication to Jewish values, and a commitment to the betterment our community. Their leadership and service reflect the ideals of civic responsibility.

For generations, The Great Neck Synagogue has played a vital role in enriching our community through its charitable endeavors and its commitment to tradition, unity and faith. I also wish to highlight the leadership of the synagogue- Rabbi Dale Polakoff and Assistant Rabbi, Moshe Genack, whose guidance and commitment continue to strengthen and uphold the foundations of traditional Judaism.

This event stands as a testament to your hard work and enduring impact. As the New York State Assemblyman representing this district, I am proud to recognize and celebrate your achievements and the meaningful impact you have made to our community.

Congratulations to all honorees on this remarkable occasion. I also extend my deep gratitude for your continued dedication to tradition, charity, unity, and partnership.

Warm Regards,

Daniel J. Norber
Member of the New York State Assembly
16th Assembly District
